

Material Safety Data Sheet

Used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200

| SECTION I - NAME AND PRODUCT |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Company Name: Flexovit Abrasives</p> <p>Address: 1305 Eden-Evans Road Angola, NY 14006</p> <p>Phone: 800-689-3539</p> <p>Date Updated: 4/1/06</p> <p>Product: Nonwoven Clean & Strip Discs</p> |

| SECTION II - COMPOSITION | | | | | | | |
|--------------------------|--|--|--|--|--|--|--|
|--------------------------|--|--|--|--|--|--|--|

| Ingredient | % By Weight | OSHA Regulate | Cas # | OSHA PEL | ACGIH TLV | Other Limits | Carcinogen |
|----------------------------|-------------|---------------|-------|----------|-----------|--------------|------------|
| Silicon Carbide | N/A | N/A | N/A | N/A | N/A | N/A | No |
| Plastic or Nylon filaments | N/A | N/A | N/A | N/A | N/A | N/A | No |
| Resin | N/A | N/A | N/A | N/A | N/A | N/A | No |
| | | | | | | | |
| | | | | | | | |

| SECTION III - PHYSICAL/CHEMICAL CHARACTERISTICS | | | | | | | |
|-------------------------------------------------|--|--|--|--|--|--|--|
|-------------------------------------------------|--|--|--|--|--|--|--|

| | | | | | |
|------------------------|----------|----------------|---------------------------------------|--------------------------|-----|
| Physical State | Solid | Boiling Point | N/A | Specific Gravity (H2O=1) | N/A |
| Vapor Pressure (mm HG) | N/A | Freezing Point | N/A | Odor Threshold | N/A |
| Vapor Density (Air=1) | N/A | Melting Point | Unknown | pH | N/A |
| Solubility in Water | N/A | % Volatile | N/A | Evaporation Rate | N/A |
| Odor/Appearance | Odorless | | Coefficient of Water/Oil Distribution | | N/A |

| SECTION IV - FIRE AND EXPLOSION DATA | | | | | | | |
|--------------------------------------|--|--|--|--|--|--|--|
|--------------------------------------|--|--|--|--|--|--|--|

| | | | |
|---------------------|--------------------------------------|-----------------------------------|-----------------------------------|
| Means Of Extinction | Carbonic anyride, dry chemical, foam | Lower And Upper Explosion Limits | N/A |
| Flammable Limits | N/A | Special Fire Fighting Procedures | Wear a complete protection outfit |
| Flash Point | N/A | Unusual Fire or Explosion Hazards | N/A |

| SECTION V - REACTIVITY DATA | | | | | | | |
|-----------------------------|--|--|--|--|--|--|--|
|-----------------------------|--|--|--|--|--|--|--|

Conditions to be avoided: Excessive heat or humidity

Materials to be avoided: Strong acids, strong bases and concentrated oxidizing materials can modify product's characteristics, particularly those of the adhesive and can cause security problems when the wheels are used on machines.

Hazardous decomposition products: Carbonic oxide and carbonic anhydride.

Stability and Reactivity: Stable. It does not dangerously polymerize.

SECTION VI - HEALTH HAZARD DATA

Nonwoven abrasives are inert products, which do not cause risks when correctly stored or handled. During the use, in case they are fixed on machine tools, special care has to be taken to protect the users.

During the use, most abrasive dust particles come from the abrasive material which is being converted and from the cooling liquid, if any, so that special attention has to be given particularly to the features of the abrasive material and to the cooling agent (if any), providing, where necessary, the right protections and exhausters.

| Route(s) of Entry | Signs and Symptoms of Exposure | Emergency & First-Aid Procedures |
|--------------------------|--------------------------------------------------------------------------|-------------------------------------------------------------------|
| Eyes | Irritation, reddening, cornea arbasion and watering. Eye inflammation | Flush eyes with plenty of water. Consult a physician. |
| Skin | Irritation, itches, erythem | Wash with soap and water. |
| Inhalation | Irritation of respiratory system. Nose ache, throat ache, cough. | Remove to fresh air. If symptoms persist, consult a physician. |
| Ingestion | N/A | No first-aid necessary. |
| | | |
| | | |

SECTION VII- STORAGE HANDLING AND USE PROCEDURES

Store at controlled temperature and humidity to avoid damages causing risks of breakage.

SECTION VIII- CONTROL MEASURES

| Protection | Requirements and Referrals |
|--------------------|--------------------------------------------------------|
| Respiratory | Use antidust mask |
| Ventilation | Local exhaust: If necessary |
| Protective Gloves | Wear protective gloves |
| Eye Protection | Wear security goggles |
| Hearing Protection | Not required, but follow the relevant law regulations. |
| Hygienic Practices | N/A |
| Other | Wear reliable protective clothing |

COMPANY USE

The information and recommendations set forth herein are taken from sources and references believed to be accurate and complete as of the date hereof. However, FlexOvit® U.S.A., Inc. makes no expressed or implied warranty with respect to the accuracy of the information or the suitability of the recommendations, and assumes no liability to any user thereof.
